Re: Magic Glass Reference

To whom it may concern,

We have been working with Magic Glass for the past 6 years on both assets being Top Ryde City and The Harbourside Shopping Centre.

In this time we have found Magic Glass to be our preferred Glass provider and installer. Their product offer and delivery times have always been above and beyond and have consistently secured all open tenders we have completed.

With regards to emergency works Magic Glass have always attended and completed the works without question in timeframes seldom found in the industry.

We have no hesitation in recommending the services provided by Magic Glass.

Yours sincerely,

Tim Andrews
