

Reference for Magic Glass;

20th February 2013

To Whom It May Concern:

I am writing this reference in favour of Magic Glass and their team, I have utilized Magic Glass Services for many years and have only good experiences with them.

I have always found all Magic Glass Management and staff to be most helpful and very capable of any task and would meet the time frame required to complete projects on time.

I have no hesitation in recommending Magic Glass for any project and am confident that you will find their level of service, expertise and industry knowledge second to none.

I believe they will be a valuable asset to your project.

I am available at any time to confirm the statement above – please feel free to call me on 0410 448 471 or send me an email to zenyounes@newpower.com.au
